- Environmental Health Labs (Tests: water, clinical specimens, hazardous materials/spills, landfill leachate monitoring)
- Water Testing (i.e., surface and groundwater, swimming pools, beaches)
- Environmental Protection

## **COMMUNITY INITIATIVES DIVISION**

To improve community health and address health inequities, this division provides direct services, partners with internal and community stakeholders, and leverages community assets and resources to address emerging health concerns. Some of the ways we do this is by providing policy analysis, coalition building, and supporting program planning and community engagement.

**Aurielle Smith, Director of Community Initiatives**

---

Division leadership, planning and implementation. Supervises Emergency Preparedness.

**Veronica Figueroa Velez, Violence Prevention, Outreach, and Response Supervisor**

---

Manages Violence Prevention Team
